MEMORANDUM FOR: Acting Executive Director-Comptroller

SUBJECT : Exemption From Proposed Classification Act

1. This memorandum forwards a proposed letter to the Chairman, Civil Service Commission for the Director's signature.

2. In accordance with Public Law 91-216 enacted in March 1970, a Civil Service Commission Job Evaluation and Pay Review Task Force will soon complete its preliminary work and will begin preparing legislation for a new job classification system. Studies undertaken by the Office of Personnel have indicated the desirability of the Central Intelligence Agency being exempt from the provisions of the new system, just as it is currently exempt from the provisions of the Classification Act of 1949.

3. Messrs. Lawrence Houston and Harry Fisher called on the Executive Director of the Civil Service Commission, Mr. Bernard Rosen, on 19 October 1971 to explain this Agency's position and to seek guidance as to the best way in which the Agency could make known officially the views of Agency management regarding exemption. Mr. Rosen advised that he thought the first step should be a letter to the Chairman, Civil Service Commission from the Director.

4. It is recommended that the attached letter to Mr. Hampton be signed by the Director.
